Jen, can you please make sure this is formatted correctly? The date of signature will be next Tuesday, and we'll be sending it out by email and hard copy on that day. (I can sign it on Monday so it can be scanned early on Tuesday and ready to send out.)

I will send you a copy of the original dispute letter so you can see all the cc's, but you might want to check with Kristine to make sure it is a current list. (For the last dispute, the cc's on the original dispute letter sent to EPA had some incorrect names.)

Thanks.
